

Come connect with your SHPE Familia in our MentorSHPE programs

We have multiple tracks to choose from based on your goals!

MentorSHPE

Our most broad offering, the MentorSHPE program can meet any educational or career level mentoring experience needed. Whether you are a first year looking for guidance from a peer or a senior seeking advice from a career connection, whether you are a young professional hoping to give back or a seasoned leader excited to share your experience, MentorSHPE is here to help create meaningful relationships.

College-aged and professional SHPE members can connect any time in our virtual MentorSHPE track. Use the on-demand resources and trainings to engage in a 3-month one-on-one mentoring connection.

Future GRADS MentorSHPE

If you are in the process of applying to Grad School, this is the MentorSHPE for you! The Future GRADS MentorSHPE Program facilitates one-to-one mentoring relationships that connect graduate school hopefuls with mentors willing to guide them through the application process. Because there are a limited number of mentors for this program, mentees must apply to be considered to participate.

Program offered annually for the fall semester!

Chapter Leader MentorSHPE

The Chapter Leader MentorSHPE track offers the opportunity for new Presidents and Vice Presidents of SHPE chapters to receive experienced guidance as they navigate their responsibilities. Mentees and mentors are paired one-on-one and virtually for a three-month duration. Connections are based on factors such as leader role, chapter size, goal areas for new chapter leaders and experience areas of mentors.

In addition to recruiting mentees, we are looking for mentors for this new program. If you have prior experience serving as a Chapter President or Vice President, please consider joining in to help new chapter leaders!

Professional MentorSHPE

This track provides SHPE professional members the opportunity to advance their professional and personal development. Content and resources are tailored specifically for professional members only. Participants can connect with a peer with similar work experience or with someone more advanced in their career for a traditional mentoring match. Mentorships start with a 3-month plan but can be tailored to be longer depending on participant needs.

Fall MentorSHPE Support Events

These events are for anyone participating in the virtual MentorSHPE programs or anyone wanting to learn more about mentoring in general. Participants in all MentorSHPE tracks will be invited to attend, share best practices for effective mentoring, and participate in networking.

Monthly Mentor Support

Every 2nd Wednesday in September, October, November and December at 7pm EST

Monthly Mentee Support

Every 1st Wednesday in September, October, November and December at 7pm EST
