# Another Record-Breaking SHPE National Convention!

The largest gathering of Hispanics in STEM in the U.S. was back and bigger than ever in Anaheim, CA with **15,000 attendees** celebrating the 50th anniversary of SHPE!

We enjoyed seeing so many members turn up for this incredible opportunity to grow their network, meet with recruiters, gain new professional knowledge, compete for bragging rights, and so much more.

Thank you to the 2024 National Convention Planning Committee!

Their selfless contributions throughout the entire year are instrumental to making the convention a huge success.
